

## THE THREE WIVES OF STANLEY HO HUNG SUN – II

### A REASONABLE DANCER; A GREAT LOVER; ... AND, A VERY GENEROUS FATHER

While all of the 3, surviving wives of [Dr Stanley Ho Hung Sun \(\)](#) are very wealthy, their combined net worth, calculated at today's approximate property prices, being not less than \$HK3 billion, according to **TARGET**'s rough calculations (Please see **TARGET** Intelligence Report, Volume IX, Number 14, published on Friday, January 19, 2007, for the details), **TARGET** () has confirmed that the man who has sired more than 16 legitimate children is, actually, an extremely good provider for his many children – in addition to making his wives extremely satisfied, too, as well as being extremely wealthy.

Making 3 women supremely happy, all of whom are competing for the favours of just one man, most of the time, is quite a feat on its own, but to be able to provide for the 3 ladies in the manner of Dr Stanley Ho Hung Sun is nothing short of miraculous, in **TARGET**'s opinion.

**TARGET** wonders whether or not there ought to be some sort of official award for such noteworthy physical and mental endurance and financial expertise, all embodied in one man, aged 86 years.

After all, in the Hongkong Special Administrative Region (HKSAR) of the People's Republic of China (PRC), the Government presents awards for a host of silly things, including, simply, the size of a person's bank account.

In the case of Dr Stanley Ho Hung Sun, not only does he have a very fat bank account, but, he, also, has something that, clearly, quite a number of women covet.

It appears, as far as **TARGET** can ascertain, that Dr Stanley Ho Hung Sun has put a great deal of trust and faith in certain children of his second wife, Ms Lucina Laam King Ying (), who, according to this medium's estimate, has a net worth of not less than \$HK500 million, as at today's property valuations.

The 3 adult children of Ms Lucina Laam King Ying, who are running businesses for Dr Stanley Ho Hung Sun, are:

1. Ms Pansy Catilina Ho Chiu King (), aged 44;
2. Ms Daisy Ho Chiu Fung (), aged 42; and,
3. Ms Maisy Ho Chiu Ha (), aged 39.

All of the above 3 daughters of this Great Man are Executive Directors of publicly listed Shun Tak Holdings Ltd () (Code: 242, Main Board, The Stock Exchange of Hongkong Ltd).

What **TARGET** has determined, over the past few months, with the assistance of **TOLFIN** () (The Computerised Online Financial Intelligence Service and Web-Based, Credit-Checking Provider), is that the above-named children of Dr Stanley Ho Hung Sun tend to work, in many cases, in unison with their mother, Ms Lucina Laam King Ying.
