

**LOVE ME, LOVE MY DOG**

There is a very old proverb which states: '*Love me, Love my Dog*'.

And there appears to be at least one gentleman in the Hongkong Special Administrative Region (HKSAR) of the People's Republic of China (PRC), who strongly believes in the wisdom of this proverb.

He is Dr Charles Chan Kwok Keung (), the 53-year old Chairman of ITC Corporation Ltd () (Code: 372, Main Board, The Stock Exchange of Hongkong Ltd) as well as being the Chairman of Hanny Holdings Ltd () (Code: 275, Main Board, The Stock Exchange of Hongkong Ltd).

His massive holdings in shares of public companies, listed on The Stock Exchange of Hongkong Ltd, are impressive.

According to **TOLFIN** () (The Computerised, Online Financial Intelligence Service and Web-Based, Credit-Checking Provider), Dr Charles Chan Kwok Keung owns:

PYI Corporation () (Code: 498, Main Board, The Stock Exchange of Hongkong Ltd)	9.26 percent
Trasy Gold Ex Ltd () (Code: 8063, Main Board, The Stock Exchange of Hongkong Ltd)	56.45 percent
Wing On Travel (Holdings) Ltd ([]) (Code: 1189, Main Board, The Stock Exchange of Hongkong Ltd)	22.23 percent
Hanny Holdings Ltd	67.23 percent

Dr Charles Chan Kwok Keung, also, holds a number of very important positions in other publicly listed companies, other than those, mentioned above, but the list is much too long for **TARGET** () to reproduce in this short report.

Suffice it to state that he is a very well-heeled businessman with assets, under his control, the market value of which must be in the many tens of billions of Hongkong dollars.

And it is well known that one of his heroes is Mr Li Ka Shing (), one of the wealthiest men in the world, today.

But Dr Charles Chan Kwok Keung likes to be retiring, most of the time, and rarely makes the headlines of the most-popular newspapers and magazines of the territory.

In Singapore, however, he is quite well known in certain circles, especially in select and very elite banking circles.

According to **TARGET**'s information, Dr Charles Chan Kwok Keung has opened a bank account in the Singapore branch of at least one international bank, to wit, UBS AG.

It is in this account at One Raffles Quay that he is known to have traded in stocks and shares, listed on The Stock Exchange of Hongkong Ltd.

In the month of March, alone, Dr Charles Chan Kwok Keung bought and sold a total of about 5.02 million shares in the Issued and Fully Paid-Up Share Capital of PCCW Ltd () (Code: 8, Main Board, The Stock Exchange of Hongkong Ltd).
