

## **IMPORTANT MESSAGE TO TARGET SUBSCRIBERS**

Today's TARGET Intelligence Report -- Volume XII, Number 167 -- will be the last one to be published for 2010 with the exception of the Monday report, which is a round-up of the action on the world's stock markets for the week, ended Friday, September 3, 2010. But, after next Monday's report, no more **TARGET**s will be published for this year.

The next **TARGET** Intelligence Report will hit your desks on Monday, January 11, 2011.

The reason for the suspension of publication of **TARGET** for the remainder of 2010 is due to our Editor, Mr Raymonde M. Sacklyn, being required to work with a book publisher, which has obtained the exclusive publication rights in the Hongkong Special Administrative Region of the People's Republic of China, the Macau Special Administrative Region of the People's Republic of China and the People's Republic of China (the Mainland) for the publication of Mr Sacklyn's book:

***'A Short History of The Stock Exchange of Hongkong Ltd  
and of its (important) People.'***

This book will be in hard cover, a limited edition hard cover, and an e-book, which may be downloaded from the Internet.

Mr Sacklyn is aiming at finishing the book before Christmas.

For Subscribers of the **TARGET** Intelligence Report, only, each one will receive a free copy of Mr Sacklyn's book and their respective subscriptions will be extended by 3 months as compensation for the shortened publication year.
