

OFF WITH THE IMP'S HEAD !

An imp found its way into last Thursday's **TARGET** Intelligent Report, Volume XX, Number 32.

Rest assured, Subscribers, the imp has been dealt with: It has been decapitated.

At Page Nine of last Thursday's Intelligence Report, in the **Editor's Note Box**, at line three, it read:

*'... loans from participating **ending** institutions (**PLI**'s) for acquiring business installations ...'*

It should have read:

*'... loans from participating **lending** institutions (**PLI**'s) for acquiring business installations ...'*

What the '*devil*' did the imp think: That **TARGET** () would not punish the mischievous sprite?
