

**WANNA GO UP THE PEARL RIVER
IN A (TYRE) CANOE, WITHOUT A PADDLE ?**

The Introduction of Pearl River Tyre (Holdings) Ltd on The Stock Exchange of Hongkong Ltd should be an event that, for sophisticated investors, should come ... and go.

But one would have to be either dim-witted, or a little short of grey matter, to consider purchasing shares in Pearl River after it is quoted in Hongkong, tomorrow.

The Company is, as the name suggests, in the business of manufacturing and selling tyres, all produced in the People's Republic of China (PRC) and all sold in the PRC, that is, all but for about 6.50 percent of total production. ... [CLICK TO ORDER FULL ARTICLE](#)
